

MEDIA

The vast majority of the mainstream media no longer practices investigative journalism nor do they report the truth regarding today's events. The news reported is whatever fits their liberal agenda. Christians need to demand truth in reporting and that Biblical values be represented and accurately reported.

Today many of the social media giants like Facebook, Google, and Twitter have a liberal bias which has resulted in many Christian accounts either being banned or severely restricted. Christians need to make their voices heard by our state and national representatives so that this practice ceases.

BUSINESS

Businesses are taking more political stands than ever before. Christians need to be more engaged in voicing their objections in a Christian manner when Biblical values are being opposed or compromised.

"Establishing Salt and Light Teams In Minnesota"

OUR MISSION

**Nehemiah Reset's mission is to assist
the church in applying a Biblical world
view to relevant cultural issues.**

SALT AND LIGHT

"You are the salt of the earth, but if salt has lost its taste, how shall its saltiness be restored? It is no longer good for anything except to be thrown out and trampled under people's feet. You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

Matthew 5:13-16

HOW WE CAN HELP

We do this by helping to establish Salt and Light Teams in each major metro city to educate the church in applying a biblical worldview to cultural issues.

The first job of a Salt and Light Team is to establish a prayer group. These warriors serve as key partners in resetting the local culture.

Next, the Salt and Light Team divides their assigned responsibilities into five major areas where they can impact the culture by applying biblical citizenship.

CULTURAL IMPACT AREAS

They assign members of the Salt and Light Team to handle each area. It is their responsibility to bring events, legislative bills and issues to the attention of the team, the church, their neighbors and their friends.

"Son of man, speak to your people and say to them, If I bring the sword upon a land, and the people of the land take a man from among them, and make him their watchman, and if he sees the sword coming upon the land and blows the trumpet and warns the people,"

Ezekiel 33:2-3

EDUCATION

Indoctrination of our children in a secular worldview is pervasive. The goal of this agenda is to control the belief system of the next generation. It is designed to train our kids in the progressive liberal view of the world and eventually to establish socialism and/or Marxism in our country.

RELIGION

Persecution of Christians in our culture is increasing in number and boldness. Religious freedoms are under attack. We need to be alert and be prepared to stand up for our Biblical beliefs and Constitutional rights or we will eventually lose them.

GOVERNMENT

Our goal is to encourage Christians to be more engaged in their local and state government. We are citizens of the Kingdom of God because of our faith in Jesus Christ. We are also citizens of an earthly kingdom. So not only do we have a dual citizenship, but we also have been given dual commissions.

Part of the Salt and Light Team's role is to educate, equip and encourage the church to be biblical citizens and apply God's word to the culture of the day. They also encourage God's people to run for office.

"The constitutional freedom of religion is the most inalienable and sacred of all human rights"
